

Unresolved Missing Person Cases with Tribal Enrollment/Affiliation

Males and Females

Published in NamUs as of February 1, 2021

This report contains information only on individuals who have been reported missing to NamUs, and whose cases include indication of enrollment or affiliation with state- or federally-recognized tribes; it does not include all American Indian and Alaska Native missing persons. Tribal enrollment and affiliation information is reported to NamUs by local, state, tribal, or federal law enforcement, or it may be self-reported by family members of missing persons. Data fields to capture tribal enrollment and affiliation information were added to NamUs in December 2018 with no requirement for investigating agencies to add this information retroactively; therefore, tribal data may not yet be entered into NamUs for some missing persons.

101 missing *from* **19** tribes

Missing from Tribal Land

● Yes ● Unknown ● No

These data reflect cases in which individuals went missing from tribal land, whether or not they resided on tribal land.

Residence on Tribal Land

● Yes ● Unknown ● No

These data reflect cases in which individuals had a primary residence on tribal land at the time of their disappearance. These individuals may -- or may not -- have gone missing from tribal land, or they may have gone missing from tribal land other than their own communities.

Investigating Agency

● Non-Tribal ● Tribal Law Enforcement

Most cases are investigated by non-tribal law enforcement agencies due to disappearances on non-tribal lands or disappearances that occur in Public Law 83-280 states.
